# BUTWELL IS VICTOR IN TILT OF JOCKEYS

Bests Wilson, Being in Money in Five Races, Winning Three of Them.

OVERCOMES BIG FAVORITE

Pilots Perthshire to Wire in Newtown Stakes Ahead of Donald McDonald.

BELMONT PARK, July 30 .- With only one more day of racing on the Belmont Park track Jockeys Wilson and Butwell. who have been fighting for supremacy several skirmishes to-day, the honors for the day resting distinctly with Butwell. who rode in all five flat races, being in the money in every one and having three wins to his credit.

Butwell put the finishing touch on his success when he brought Perthshire home first in the Newtown Selling Stakes, the feature of the card. This furnished the surprise, as Wilson's mount, MacDonald, was a topheavy favorite at 2 to 5. There were only three starters in the stake event, Oakhurst being quoted at 3 to 2, the same odds that were offered against Perthshire. MacDonald's recent victories against good handicap horses made the race look much certainty for him, and with any on Perthshire it probably would have been.

There was one factor that careful students of form did not overlook, the fact that Donald MacDonald was carrying 116 pounds, a trifle more weight than he likes. In order that the weight on the favorite should have every chance to tell its tale, Butwell on Perthshire cut out a sizzling pace and at the bottom of the back stretch Perthshire was three lengths in front, with Donald MacDonald forced cut loose from Oakhurst to keep near to cut loose from Oakhurst to keep near enough to make a bid for victory. Wilson crept up a little coming around the turn and when straightened out for home called on Donald MacDonald to make up the lost ground. At the furlong pole Wilson gave old Donald a sharp cut with the whip, but this only made the favorite swerve, while Perthshire was running straight and wue under Butwell's hand ride. Wilson sat down then to urge Donald MacDonald with his hands and he was gaining at every stride when the horses swept under the wire with Perthshire a neck to the good. Oakhurst-was six lengths back.

six lengths back.

This was by no means the only upset, as only two favorites won and the backers of sure things had a narrow squeak in the first race, where Besom was quoted at 1 to 10 in the six furlong handicap. There was a howl when Besom was seen to cut off Aviator on the far turn. Besom galloped in after that, while Carroll Beild took second place away from roll Reid took second place away from Aviator in the stretch run. No protest was lodged, but the stewards investi-gated the cutting off of Aviator. Patrol Judge Hall and Starter Milton were ques-tioned before the red board was hoisted. the conclusion reached being that Avia-tor atempted to go through a hole with-out having sufficient leeway. There was a sharp duel then between The Evader and Maltble, but the former came away on the flat and won rather easily by five lengths.

The disastrous day for backers ended when Notoriety, favorite in the last race, was djsqualified. Captain Burns and Polly H. were holding Notoriety a furleng from home when the bumping began and Captain Burns was knocked back. Mordecai shot up into second place in Mordecal shot up into second place if the final drive and was placed first when Notoriety was ruled out. The summaries

Newport, July 30.—Undaunted by a severe tempest, which raged for about an hour this afternoon, Steve Philbin, the Yale football player, swam between Balley's and Nèwport beaches, a distance of four miles, in three hours. The storm came up when the swimmer was about half way across, and though the wind kicked up a rough sea Philbin finished his journey. He was accompanied in a small boat by Joseph Boyer, swimming master at Bailey's beach.

Twelve carloads of horses are scheduled to leave for Saratoga after the races are over to-day.

Gailop, which ran in the Suffolk selling stakes for two-year-olds on Morday, was claimed out of the race for \$1,300 by the Quincy stable.

RUMORS were current a month or so ago to the effect that Miss Gladys Ravenscroft, champion of Great Britain last year, and Miss Cecil Leitch, another famous golfer, would come here. Subsequently this report was denied. They plan to go to Canada first and compete in the championship of that country and then come on to New York. After visiting some of the links hereabout they will proceed to Wilmington for the woman's championship of the United States.

Los Angeles, July 30.—Willie Ritchie, lightweight champion, deposited \$5,000 cash to-day with Promoter Tom McCarey

Wolgast's \$25,000 as a side bet for their fight. In putting up the cash guarantee Ritchie said:

"My \$5,000 is up. As soon as Wolgast puts up \$12,000 I will meet it with a like sum; the additional \$12,500 to be put up when we sign articles. The bet is to be \$12,500 that he knocks me out and \$12,-500 that he beats me. The fight to take place anywhere. He can have the September date if he wants it. If his hand is not well by that time I will fight him Thanksgiving Day."

Instead of tiring Westfall, this only tended to get him going, as evidenced by his style of play in the rest of the match. During the last three sets the holder

Little Barney Williams Makes Him Toil to Draw-Kubiak Wins in Round.

Frank McGinness, the English navy champion, who has won nine straight fights in this country and was touted as fights in this country and was touted as a coming heavy weight, quit in the fourth round of a scheduled ten round bout with Jack Keating of the Brooklyn navy yard at the St. Nicholas rink last night.

Porky Flynn of Boston, who weighed 187 pounds, struck a tough customer in Barney Williams of Brooklyn, a 170 pound lad, who made up in agility and quick hitting ability what he lacked in weight. Both were tired at the end and a fair decision would have been a draw.
